...maszkarony dla swych koleżanek i kolegów z VI LO. Oto co pisze Wasi:

On the occasion of the Polonia Meeting, the class IAS of our school in L'Aquila is making a little gadget.

During the laboratory activities the students work, everyone with his own different abilities, to make a small reproduction of the medieval "Mascheroni" (mask) representing L'Aquila founders in the historical monument of "99 Cannelle".

W artykule zobaczycie, jak praca w laboratorium rzeźbiarskim w L'Aquila.
